THE GENERAL SECRETARY ADDRESSES THE PARTY

BODIES AND CADRES IN ADEN GOVERNORATE

ADEN, MARCH 16, ANA

Comrade Ali Salem Al-Beedh, General Secretary of the C.C. of the Socialist Party of Yemen, affirmed that the special character of the current full electoral round of the Party Organizations carries the character of reconstruction and correcting the march of the revolution following the abortive bloody plot of January 13.

This vited in a lecture delivered in front of the Party bodies and Cadres in Aden Governorate tonight on occasion of holding the electoral round.

He clarified that this round has a task i.e. to be part of the decisive and comprehensive Revolutionary reply of the Party and people against the risks of leftists and rightists deviations and against the attempts of pushing the Revolutionary experiment to setback or retarding the Socialist orientation or evacuating it from its progressive class and National concepts.

He indicated that in our hands a great balance of the right documents and Resolutions, having armed with in longterm experiment through which we practiced to wage furious struggle in the ideological, political and economic battles, by which we tested our morale and human power in one of the toughest and dangerous military and politically battle during and after the 13th Jan. bloody and aborted plot.

The General Secretary stressed on the necessity of adherence with the documents of the Party and work for its enforcement on fact and spreading atmosphere of decisive party discipline and strengthening the combative spirit and tackling the errors and shortcoming step by step and adopting a strict critical attitude towards it, stressing on the necessity of achieving this by the persistance of the Revolutionists and to be careful towards accumulating the difficultins once again and to give chance to reproduce socio-economic backwardness and recreating phenomenas which led to catastrophes in the past.

He said that under the solid unity of the Party militants we are able to secure the process of the experiment and to preserve it from different internal and external risks and that there will not occur any new Jan. 13 event in our life.

He clarified the urgent tasks connected with the tasks defined by the general Party Conference, the Party documents and the Resolutions of its leading bodies which form the actual leading practices in different sites of works, production dwelling.

He dealt with the developments in level of the Yemeni National issues and the efforts of unity coordination between the two parts of Yemen as well as the developments in Arab and international arenas.
